Friends of Leigh AGM

Are you ready to put your hand up? Come along and join us on Monday 28th May, 3.15pm in the School staffroom.

Tena koutou,

Here at Leigh School we are fortunate to have a super-fast Broadband connection, as I believe, do all New Zealand schools up and down the country. The amount that we have available for our use, far exceeds what we actually use so we are able to invite parents or community members to come into to the school to use our broadband. We have quiet and warm spare rooms available for you to work in if you would like to take advantage of this offer. There is a small usage charge of \$5 per hour (or part thereof). Just come and check in with Fay in the office and she will sort you out.

Not Even Once – Saying No to Meth (P)

A community event for families and the public, providing quality education regarding Methamphetamine (P) and the dangers that it poses to our communities.

MethCon presentations are extremely visual and hard hitting, exposing the real truth behind this drug. You will laugh, you may cry, you could be horrified, but you will definitely be enlightened by the experience. This is an 'eye opener' like no other, and if you are looking for food for thought, this is a feast like no other you will have experienced.

Dale Kirk is a former Police Drug squad detective and leading educator on the subject. He has spoken to thousands of people including High School students, community groups, Government departments and private sector companies throughout New Zealand. He is passionate about eliminating demand for Meth in New Zealand.

The events are scheduled for :-
Monday 11th June - Warkworth
Monday 18th June – Whangarei
Monday 25th June – Kerikeri
Monday 2nd July - Kaitaia
Monday 9th July – Orewa

SUPAKidZ
scripture union primary adventures

SUPAKidz is designed to encourage children to think about the way they live and to help them explore values and beliefs from a Christian perspective

This term we will provide opportunities for children to learn about the New Zealand curriculum value of integrity (Ngākau/tapatahi). We will focus on how integrity is "doing what you know is right even when no one is looking!"

This programme looks at Joseph and his family and how they learned about Integrity.

We will give them opportunities to explore integrity within the context of games, Bible stories, discussion and activities. We will encourage them to use the skills they learn in the wider school setting and in their homes.
