Tena koutou,

Well, the full force of the winter weather has hit – first really chilly temperatures and then torrential rain.

At this time of the year, we are often subject to the usual bugs and viruses – we have a few away in each of the classes today, not to mention Rachel who is also unwell. Can we again remind parents to please keep children at home if they are unwell. That way they are able to recover more quickly and not pass on their bugs to others.

Don't forget to come along to our parent get-together this evening. We're keen to hear what you have to say about the Health Programme in the school, and about this year's Summer Festival. It will be a convivial gathering over some drinks and nibbles with child care available. Also, there are some wonderful black and white photographs that the children have taken, for you to view, while you chat.

Ngā mihi

Julie
