Dates to Remember

- Sept 26 'Pirates vs Mermaids' – 6pm
- 28 Term 3 ends
- Oct 9 Disco at The Sawmill
- 15 Term 4 starts
- 17 Class photos and individual portraits

Tena koutou,

Well, here we are at the end of term – and what a term it has been. The children are all very excited about their performance this evening and staff have been super busy with rehearsals and stage design, all the while whistling or singing the show songs – which for some reason, seem to be stuck in our heads!

A special thank you to all those who have helped make the show the success I'm sure it will be. Names of those involved will be included in the programme this evening.

On a more serious note, in the second week of next term, on Thursday October 25th 5.30 – 7.30pm we will be holding a Community Consultation. This occurs every five years and as our last consultation was at the end of 2013, we are now due to review our school direction and to set a path for the future.

There will be more information to follow but in the meantime – mark the date on your calendar as it will come around quite soon after the start of term 4.

Julie

Sibling envelopes are available from the school office on request. Mural

Over the holidays we will have Andy Turner – local artist – painting a mural on the back of the swimming pool shed. He is donating his time to do this, so if you're passing by while he's working, please feel free to mention the school's appreciation for his work. The children have contributed their ideas as to what to include in the mural but he also has his own unique style, which will shine through.
