Tena koutou,

Many thanks to the parents of Te Awa and Te Waipuna for your help at the Beach Education Day at Mangawhai Heads Surf Club yesterday. To the parents who braved the water to keep the children safe and those who provided transport to the beach, thank you.

Beach Ed is a full day beach and surf safety programme, delivered by trained surf lifeguards at the beach. It is an age appropriate course, covering basic principles of staying safe while having fun at the beach. As the children get older, more in-depth surf knowledge is taught, culminating in students learning how to identify hazards such as rip currents, ways to keep themselves and others safe, and what action to take if they get into trouble.

The cost for this trip is \$15.00. If you have not yet paid could you please arrange payment of this amount to the school office or by internet banking to our account 12-3095-0121772-02.
