Kia ora koutou,

This week is a sporty one with Athletic Sports today and tennis coaching for the whole school on Friday. Beautiful weather today, so hopefully it will hold up for Friday as well.

STRIKE ACTION

We have been advised that the proposed strike action by teachers on Monday will be going ahead.

As this is relatively short notice for parents, we are able to arrange for supervision for your child/ren if you are unable to do so. This would be in the form of a relief teacher.

If you are unable to keep your child at home on Monday (or arrange for alternative care), can you please let me know by tomorrow afternoon, so I can organize a relief teacher.

Many thanks and apologies for the inconvenience this causes.

Julie
