Dates to Remember

Feb	26	Meet the Teachers
Mar	1	Goat Island Snorkeling
April	12	End of Term 1

Tena koutou,

Yet again our planned day for snorkeling on Monday was postponed due to the weather conditions. Often, the weather can look fine but the swell coming into the beach at Goat Island means that the experience for the younger children would not be a pleasant one and we want to avoid that at all costs. We are relying on those who have the most up-to-date information upon which to base their decision, so while it is frustrating for us all, we would all rather wait until conditions are as close to perfect as they can be.

At present the next proposed date is Friday 1st March, so fingers crossed for that day.

In the meantime, could those parents who have offered transport and / or supervision in the water, please confirm their availability.

On Tuesday next week we will be holding our annual "Meet the Teacher" event. This is a great opportunity for you to come along and meet new parents to the school and to find out about classroom programmes and information/routines about your child's class. As there is quite a bit of food left over in the freezer from various events, the Friends of Leigh (PTA) will provide the sausages (and a few other goodies) for dinner. BYO drinks.

Snorkeling cost

There has been an offer from the University of Auckland to cover the cost of the snorkeling for the children. Those who have already paid will be refunded.

Congratulations

Congratulations to Juliet and Dave (Douglas and Patrick's mum and step-dad) on the birth of a baby girl.
