Tena koutou,

Last evening we held our annual get-together to 'Meet the Teacher'. It was a great opportunity for newcomers to meet and get to know our parent community and vice versa. Thank you to Helena and Megan for organising the food.

Last night teachers spoke about our Leigh School Values – "Respect, Responsibility and Kindness". These values have been developed after much consultation with children, parents and staff. Last year, we were able to introduce these values - giving lessons on how and when to display these values. We rewarded the children with certificates and acknowledgement when we observed our values being displayed in class or in the playground.

This year our focus will be on consolidating that learning, as well as developing the skills of a "Leigh Learner" – namely to be self-managing, to be able to work collaboratively and to inquire. The aim is that these values and skills will hopefully set our tamariki up for lifelong learning and for being successful citizens.

Hello Families of Leigh School,

As many of you are aware, Leigh School has always had a strong hockey history and we hope to continue this effort.

Rachel Waterhouse and myself will be coaching a Junior team and a Senior team. We will practice one day a week after school with games Saturday mornings at the Warkworth Showgrounds.

Costs will be advised as we know them for the season. We provide uniforms and have spare hockey sticks, but it is up to you to make sure your child(ren) have trainers, shin-pads and a mouth guard. It is also imperative that once you and your child(ren) make the commitment you show up to practice and every Saturday game (unless sick or out of town, etc). Carpooling is always an option.

If your child(ren) is interested please let us know so we can get an idea of how many teams we will have this year.

We are also looking for a parent to take on the role of Manager.

Many thanks and looking forward to a fun 2019 season!

Kate Shears and Rachel Waterhouse
