### *Dates to Remember*

April 12 Term 1 ends  
29 Term 2 begins  
May 2 Hearing & Vision Testing

Tena koutou,

With the sudden and not unexpected drop in temperature, we will be closing the pool as from Friday 12 April.

We have had another fabulous season of swimming with the pool and we continue to appreciate all the work that went into the renovation a couple of years ago to get it looking as good as it is.

Please return keys to Fay in the office so that you can receive your \$10.00 refund.

I will be away over the holidays – I'm off to visit my children overseas in London and Prague. Why they choose to move off-shore and live in these far-away destinations – I'll never know, but it does give me the opportunity for a cheaper holiday and to visit new and exotic places. If there's a need to contact someone regarding issues at school over the holiday break – ring Fay on 02102790161 or Peter on 02102066002.

Have a happy and safe holiday and we'll see you back here on Monday April 29.

Julie

### **Upcoming events : April 12 : Term 1 Ends**

#### **Leigh School Board of Trustee Elections**

The Electoral Roll is open for inspection at the School Office. This roll will close on May 8<sup>th</sup> 2019, after which a Supplementary Roll will open until two days before the close of nominations.

#### **Green Fingers Wanted**

There has been lots of interest and ideas for the school produce gardens, from parents. If you are keen to help we could form a little gardening club. At the moment, Awa will be in the garden on Monday mornings for an hour from drop off, keeping the worms happy and weeds at bay. So, if that suits please come along and muck in. We are collecting any seeds, seedlings, poos and fertilizers. These can be dropped off on Monday mornings.

#### **Kids "Drop-In Day" at the LEIGH HALL**

Tuesday 16th April, midday to 3pm.

Activities available will be suitable for 5 - 18 year olds.

Table tennis, craft, puzzles, and board games are planned.

No charge.

**Children under 12 years MUST be supervised.**

We would be grateful for any help on the day, particularly with having enough adults there to supervise older children.

Last Wednesday we did some gardening. We planted leeks, broccoli and clavolo nero. We looked at all the plants. It smelled good because it had rained. *by Kayden*

Our plants can grow big. I think it is awesome and they will taste yummy. I hope the soup will taste yummy. *by Kaito*
