Tena koutou,

I hope you all had a refreshing and rejuvenating break over the holidays with your children. I've just returned from a wonderful holiday overseas with my daughter and my son and it was so lovely to see them both. The impact of sheer numbers of people in those huge European cities makes me acutely aware, yet again, of how lucky we are in New Zealand to have such a peaceful and relatively clean environment in which we can bring up our children.

On Monday Peter Browne and Jimmy Rapson installed a new television screen in The House of Learning. This now means that our presentations to children and parents will be on a much bigger screen and therefore more easily visible. This television was very kindly donated by Boyd Taylor at the Leigh Marine Laboratory and will prove to be a great asset as the first stage in our upgrade of The House of Learning planned for this year.

Nga mihi,

Julie

Interschool Netball

We have the Interschool Netball day in a few weeks. Is there anyone who has knowledge of netball who would be prepared to come along and teach the senior children netball skills. Please contact Fay or Julie if you are able to help.

Prickles

We are experiencing problems with prickles on the ground, from the pohutukawa trees. To avoid these it might pay for children to wear shoes until these disappear.

Yummy Stickers

We are collecting Yummy stickers again this year. Collect the Yummy cut-out labels from bags (each cut-out label is worth 10 stickers) and individual Yummy apple stickers for Leigh School to be in to share the \$200,000 free DG Sport sports gear prize pool. Yummy apples and pears are available from New World, Pak'n Save and participating Four Square stores. The more we collect, the more sports gear we get. Start collecting your Yummy cut-out labels and stickers now!

Bring your Yummy stickers to the school office.
