June	23	Mid-Winter Swim Sausage Sizzle
	24	Morris & James trip
	28	Matariki Hangi
July	5	End of Term 2

Tena koutou

Over the last several months I've been organising to get some pou (columns) made for our carpark garden. These are terracotta columns that will be made at Morris and James and decorated by the children – one column for each class, like the ones in this picture above.

We have the opportunity to go to **Morris and James** and see these columns being made on Monday 24 June – at 9.30 a.m. **As we'll be taking a bus, there will be a cost for each child of \$5.00, payable to Fay in the office or by direct credit please.**

Also, we're in the process of organising a **hangi for the children to celebrate Matariki** and the date for this is Friday 28 June. Theresa and Isaac have very kindly offered to organise this for the school. We'll be preparing the vegies / stuffing and digging the pit and getting it ready for lighting on Thursday after lunch so that on Friday we can light the fire at around 7.30 a.m. and hopefully put the food in at 10 – 10.30 a.m. so the food will be ready for lunch. Parents are welcome to come along to help out or share in the learning with the children. **There will also be a \$5 charge to cover the cost of the food.**

Many thanks, Julie

Community Notices

Measles in Auckland schools

Please vaccinate your child or young person if they have not had one measles (MMR) vaccine. It is free at your GP.

Students in a class with someone who has measles may be asked to stay home for one to two weeks, if they have had no MMR vaccinations.

Students with one or more MMR vaccinations can still attend school.

Check your child's immunisation records in their Well Child/Tamariki Ora book or ring your GP clinic.

Tell your GP or after hours clinic if you suspect measles before you arrive, so you don't infect others.

Symptoms: cough, runny nose, fever, sore red eyes, then a rash.
